

To: All 8th grade candidates for graduation
Re: Graduation Gowns

Graduation may seem like a long way away but planning has already begun. Thorne graduates wear black gowns that are ordered from the company Herff-Jones for \$16.00. The gowns are not rented, but bought from the company, and they are yours to keep. 8th grade graduates do not wear caps. All students need a gown to participate in the ceremony. If a student has a gown from a brother or sister, they may use it, but that needs to be indicated on the form below.

Gown measurement will take place in room 118 on **February 27, 2013**, during Science and Social Studies classes. You must bring the bottom of this letter with you attached to your gown payment. As always, if there are financial considerations, please contact me at knouseg@middletownk12.org.

Please cut at the dotted line and attach the bottom portion to your payment. Bring this with you to room 118 on gown measurement day.

Name : _____ H.R. # _____

(Please check one below)

_____ I am ordering a graduation gown. Attached is my check, made out to Thorne Middle School, for \$17.00, or my cash payment in an envelope with my name clearly marked on the front.

If paying by check please list the check number _____

_____ I am a candidate for graduation, but I do not need to order a gown, I already have one.
